Felix Owiny is affiliated with Department of Interdisciplinary Studies, Kyambogo University, Kampala and focuses on African Studies research in Africa.

Nancy Achieng is affiliated with Kyambogo University, Kampala and focuses on African Studies research in Africa.

Victor Kibet is affiliated with Uganda Christian University, Mukono and focuses on African Studies research in Africa.

Jane Onyango is affiliated with Kyambogo University, Kampala and focuses on African Studies research in Africa.

Abstract

Youth entrepreneurship initiatives in North Uganda's urban areas aim to foster economic empowerment among young people. A mixed-methods approach combining quantitative data from participant surveys and qualitative insights through focus group discussions. Structured entrepreneurship training effectively enhances youth entrepreneurial success in urban North Uganda, offering a replicable model for similar interventions. Further research should explore long-term sustainability and scalability of these programmes across different demographic groups.

Keywords: *Sub-Saharan, African, Youth, Economic Empowerment, Mixed-Methods*
