Mário Dias Santos is affiliated with Department of Research, Instituto Superior Politécnico Metropolitano de Angola (IMETRO) and focuses on Business research in Africa.

Maria da Conceição Carvalho is affiliated with Instituto Superior Politécnico Metropolitano de Angola (IMETRO) and focuses on Business research in Africa.

Abstract

This article explores the application of corporate social responsibility (CSR) governance within multinational enterprises in Angola's business context. This study employs qualitative analysis of existing CSR policies and regulatory frameworks specific to Angola's business environment. The theoretical framework underscores the importance of stakeholder engagement in shaping effective CSR governance structures within Angola's business landscape. Recommendations suggest enhancing transparency in corporate reporting to better align with societal expectations, alongside fostering a collaborative environment for sustainable growth.
