*Dumelo Xaba is affiliated with University of the Western Cape and focuses on Business research in Africa.*

*Nontuthusianda Mbatha is affiliated with University of Limpopo and focuses on Business research in Africa.*

## Abstract

This study examines policy implications in South African business research over a decade. Qualitative analysis of existing literature from to was employed for this study. Key themes emerged regarding policy implementation gaps and their impacts on business practices. The research highlights areas needing improvement in South African business policies. Recommendations include the need for more consistent application of existing policies and fostering a culture of evidence-based decision-making.

**Keywords:** *African geography, qualitative analysis, policy studies, business ethics, indigenous knowledge systems, governance structures, institutional reforms*
