Sabally Diop is affiliated with Department of Research, Institut Sénégalais de Recherches Agricoles (ISRA) and focuses on Business research in Africa.

Mamoudou Touré is affiliated with Institut Pasteur de Dakar and focuses on Business research in Africa.

Abstract

Youth in Senegal play a significant role in various sectors of the economy, including business. A qualitative approach was employed to gather insights through interviews with young entrepreneurs and industry experts. The youth-led business sector is crucial for the economic development of Senegal and requires tailored support strategies. Government policies should focus on enhancing financial inclusion and entrepreneurship education for young entrepreneurs.

Keywords: *Africanization, Diaspora, Entrepreneurship, Globalization, Inclusivity, Leadership, Microfinance*
