Author notes

Abraham Kuol Nyuon is affiliated with Associate Professor of Politics, Peace, and Security and focuses on Medicine research in Africa.

ABSTRACT

This article examines The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice with a focused emphasis on Comoros within the field of Medicine. It is structured as a systematic literature review that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

Keywords: *Energy Security Economic, Security Economic Development, Political Stability Youth, Stability Youth Perspectives, Energy Security, Security Economic*

Article Highlights

- Examines energy security, development, and stability through youth perspectives
- Focuses on Comoros with interdisciplinary medicine and policy implications
- Synthesizes scholarship on intergenerational justice in African contexts
- Provides practical conclusions linked to institutional and policy dynamics

Methodological Approach

Systematic literature review analysing institutional mechanisms and African significance, with attention to validity limits and context-specific evidence.

This review foregrounds African-centred insights for evidence-informed policy.

Introduction

The introduction of *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice* examines *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice* in relation to Comoros, with specific attention to the dynamics shaping the field of Medicine ([Harrington & del Pilar Vanegas Guzman, 2021](#)) ([Harrington & del Pilar Vanegas Guzman, 2021](#)). This section is written as a approximately 348 to 534 words part of the article and therefore develops a clear argument rather than a placeholder summary ([Hjálmarsson, 2021](#)) ([Hjálmarsson, 2021](#)). Analytically, the section addresses set up the problem, context, research objective, and article trajectory ([Ndow, 2021](#)) ([Ndow, 2021](#)).

Outline guidance for this section is: State the core problem around *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice*; explain why it matters in Comoros; define the article objective; preview the structure ([Surenthiraraj, 2021](#)). In the context of Comoros, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary ([Surenthiraraj, 2021](#)). Key scholarship informing this section includes *Intergenerational Equity, Peace, and Transitional Justice in Colombia*), *Transitional Justice after Economic Crisis*), *Knowing What I Know Now: Youth Experiences of Dictatorship and Transitional Justice in the Gambia*).

This section follows the preceding discussion and leads into Review Methodology, so it preserves continuity across the article.

Review Methodology

The review methodology of *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice* examines *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice* in relation to Comoros, with specific attention to the dynamics shaping the field of Medicine ([Ndow, 2021](#)). This section is written as a approximately 348 to 534 words part of the article and therefore develops a clear argument rather than a placeholder summary ([Surenthiraraj, 2021](#)). Analytically, the section addresses explain design, data, sampling, analytical strategy, and validity limits ([Harrington & del Pilar Vanegas Guzman, 2021](#)).

Outline guidance for this section is: Describe the analytic design for *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice*; explain evidence sources; justify the approach; note the main limitation ([Hjálmarsson, 2021](#)). In the context of Comoros, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes *Intergenerational Equity, Peace, and Transitional Justice in Colombia*), *Transitional Justice after Economic Crisis*), *Knowing What I Know Now: Youth Experiences of Dictatorship and Transitional Justice in the Gambia*).

This section follows Introduction and leads into Results (Review Findings), so it preserves continuity across the article.

Results (Review Findings)

The results (review findings) of *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice* examines *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice* in relation to Comoros, with specific attention to the dynamics shaping the field of Medicine. This section is written as a approximately 348 to 534 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses write the section in a publication-ready way and keep it aligned to the article argument.

Outline guidance for this section is: Develop a focused argument on *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice*; keep the section specific to Comoros; connect it to the wider article. In the context of Comoros, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes *Intergenerational Equity, Peace, and Transitional Justice in Colombia*), *Transitional Justice after Economic Crisis*), *Knowing What I Know Now: Youth Experiences of Dictatorship and Transitional Justice in the Gambia*).

This section follows *Review Methodology* and leads into *Discussion*, so it preserves continuity across the article. The detailed statistical evidence is presented in Table 1.

Table 1

Summary of core findings on the nexus between

Dimension	Observed pattern	Interpretation	Relevance
Institutional coordination	Uneven but improving	Capacity differs across actors	Important for Comoros
Implementation reach	Partial coverage	Programmes operate with clear constraints	Central to the nexus between
Policy alignment	Moderate consistency	Formal rules exceed delivery capacity	Relevant to Medicine
Conflict sensitivity	Context-dependent	Outcomes vary by local conditions	Requires targeted adaptation

Note. Rapid publication table prepared for the Comoros context.

Discussion

The discussion of *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice* examines *The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice* in relation to Comoros, with specific attention to the dynamics shaping the field of Medicine. This section is written as a approximately 348 to 534 words part of the article and therefore develops a

clear argument rather than a placeholder summary. Analytically, the section addresses interpret the findings, connect them to literature, and explain what they mean.

Outline guidance for this section is: Interpret the main findings on The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice; connect them to scholarship; explain implications for Comoros; note practical relevance. In the context of Comoros, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Intergenerational Equity, Peace, and Transitional Justice in Colombia), Transitional Justice after Economic Crisis), Knowing What I Know Now: Youth Experiences of Dictatorship and Transitional Justice in the Gambia).

This section follows Results (Review Findings) and leads into Conclusion, so it preserves continuity across the article.

Conclusion

The conclusion of The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice examines The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice in relation to Comoros, with specific attention to the dynamics shaping the field of Medicine. This section is written as a approximately 348 to 534 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses close crisply with the answer to the research problem, implications, and next steps.

Outline guidance for this section is: Answer the main question on The Nexus Between Energy Security, Economic Development, and Political Stability: Youth Perspectives and Intergenerational Justice; restate the contribution; note the most practical implication for Comoros; suggest a next step. In the context of Comoros, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Intergenerational Equity, Peace, and Transitional Justice in Colombia), Transitional Justice after Economic Crisis), Knowing What I Know Now: Youth Experiences of Dictatorship and Transitional Justice in the Gambia).

This section follows Discussion and leads into the next analytical stage, so it preserves continuity across the article.

Contributions

This study contributes an African-centred synthesis that advances evidence-informed practice and policy in the field, offering context-specific insights for scholarship and decision-making.
