Selassie Woldeab is affiliated with Haramaya University and focuses on African Studies research in Africa.

Gimbie Assefa is affiliated with Haramaya University and focuses on African Studies research in Africa.

Abstract

Ethiopia has a rich history of philosophical thought that pre-dates modern colonial influences. In-depth analysis of historical texts, contemporary scholarly works, and interviews with philosophers and historians. Ethiopian African philosophy has successfully navigated the complexities of post-colonial identity and societal development, offering valuable insights for broader African intellectual discourse and policy-making. Incorporate traditional wisdom into educational curricula to foster a holistic understanding of Ethiopian culture and values in contemporary contexts.

Keywords: *Ethiopia, Pan-Africanism, Postcolonial Theory, Africana Studies, Phenomenology, Ubuntu, Dialogic Analysis*
