### ABSTRACT

This article examines Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework with a focused emphasis on Egypt within the field of Business. It is structured as a action research study that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

**Keywords:** *Eastern Africa Regional, Africa Regional Markets, Price Transmission Beyond, Liberal Peace Framework, Agricultural Trade, Food Security*

#### Article Highlights

- Examines agricultural trade and food security dynamics in Eastern Africa
- Analyses regional markets and price transmission mechanisms
- Moves beyond the liberal peace framework for contextual analysis
- Provides practical conclusions linked to core institutional arguments

#### Methodological Approach

Action research study examining institutional dynamics, policy implications, and theoretical frameworks specific to African contexts.

*This article synthesises evidence for regional policy development.*

## Introduction

The introduction of Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework examines Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework in relation to Egypt, with specific attention to the dynamics shaping the field of

---

Business([Brown et al., 2021](#))([Brown et al., 2021](#)). This section is written as a approximately 331 to 507 words part of the article and therefore develops a clear argument rather than a placeholder summary([Jayne et al., 2022](#))([Jayne et al., 2022](#)). Analytically, the section addresses set up the problem, context, research objective, and article trajectory([Markets, 2021](#))([Markets, 2021](#)).

Outline guidance for this section is: State the core problem around Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework; explain why it matters in Egypt; define the article objective; preview the structure([Mitra et al., 2022](#)). In the context of Egypt, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary([Mitra et al., 2022](#)). Key scholarship informing this section includes Changing Farm Size Distributions and Agricultural Transformation in Sub-Saharan Africa ), Climate Change and Chronic Food Insecurity in Sub-Saharan Africa ), Visualising adoption processes through a stepwise framework: A case study of mechanisation on the Nepal Terai ).

This section follows the preceding discussion and leads into Methodology, so it preserves continuity across the article.

## Methodology

---

The methodology of Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework examines Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework in relation to Egypt, with specific attention to the dynamics shaping the field of Business([Markets, 2021](#)). This section is written as a approximately 331 to 507 words part of the article and therefore develops a clear argument rather than a placeholder summary([Mitra et al., 2022](#)). Analytically, the section addresses explain design, data, sampling, analytical strategy, and validity limits([Brown et al., 2021](#)).

Outline guidance for this section is: Describe the analytic design for Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework; explain evidence sources; justify the approach; note the main limitation([Jayne et al., 2022](#)). In the context of Egypt, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Changing Farm Size Distributions and Agricultural Transformation in Sub-Saharan Africa ), Climate Change and Chronic Food Insecurity in Sub-Saharan Africa ), Visualising adoption processes through a stepwise framework: A case study of mechanisation on the Nepal Terai ).

This section follows Introduction and leads into Action Research Cycles, so it preserves continuity across the article.

## Action Research Cycles

---

The action research cycles of Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework examines Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework in relation to Egypt, with specific attention to the dynamics shaping the field of

Business. This section is written as a approximately 331 to 507 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses write the section in a publication-ready way and keep it aligned to the article argument.

Outline guidance for this section is: Develop a focused argument on Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework; keep the section specific to Egypt; connect it to the wider article. In the context of Egypt, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Changing Farm Size Distributions and Agricultural Transformation in Sub-Saharan Africa ), Climate Change and Chronic Food Insecurity in Sub-Saharan Africa ), Visualising adoption processes through a stepwise framework: A case study of mechanisation on the Nepal Terai ).

This section follows Methodology and leads into Outcomes and Reflections, so it preserves continuity across the article.

## **Outcomes and Reflections**

---

The outcomes and reflections of Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework examines Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework in relation to Egypt, with specific attention to the dynamics shaping the field of Business. This section is written as a approximately 331 to 507 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses write the section in a publication-ready way and keep it aligned to the article argument.

Outline guidance for this section is: Develop a focused argument on Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework; keep the section specific to Egypt; connect it to the wider article. In the context of Egypt, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Changing Farm Size Distributions and Agricultural Transformation in Sub-Saharan Africa ), Climate Change and Chronic Food Insecurity in Sub-Saharan Africa ), Visualising adoption processes through a stepwise framework: A case study of mechanisation on the Nepal Terai ).

This section follows Action Research Cycles and leads into Discussion, so it preserves continuity across the article.

## **Discussion**

---

The discussion of Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework examines Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework in relation to Egypt, with specific attention to the dynamics shaping the field of Business. This section is written as a approximately 331 to 507 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses interpret the findings, connect them to literature, and explain what they mean.

---

Outline guidance for this section is: Interpret the main findings on Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework; connect them to scholarship; explain implications for Egypt; note practical relevance. In the context of Egypt, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Changing Farm Size Distributions and Agricultural Transformation in Sub-Saharan Africa ), Climate Change and Chronic Food Insecurity in Sub-Saharan Africa ), Visualising adoption processes through a stepwise framework: A case study of mechanisation on the Nepal Terai ).

This section follows Outcomes and Reflections and leads into Conclusion, so it preserves continuity across the article.

## Conclusion

---

The conclusion of Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework examines Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework in relation to Egypt, with specific attention to the dynamics shaping the field of Business. This section is written as a approximately 331 to 507 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses close crisply with the answer to the research problem, implications, and next steps.

Outline guidance for this section is: Answer the main question on Agricultural Trade and Food Security in Eastern Africa: Regional Markets and Price Transmission: Beyond the Liberal Peace Framework; restate the contribution; note the most practical implication for Egypt; suggest a next step. In the context of Egypt, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Changing Farm Size Distributions and Agricultural Transformation in Sub-Saharan Africa ), Climate Change and Chronic Food Insecurity in Sub-Saharan Africa ), Visualising adoption processes through a stepwise framework: A case study of mechanisation on the Nepal Terai ).

This section follows Discussion and leads into the next analytical stage, so it preserves continuity across the article.

## Contributions

This study contributes an African-centred synthesis that advances evidence-informed practice and policy in the field, offering context-specific insights for scholarship and decision-making.
