ABSTRACT

This article examines Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach with a focused emphasis on Eritrea within the field of Political Science. It is structured as a qualitative study that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

Keywords: *Impunity Accountability Mechanisms, Feminist Political Economy, Political Economy Approach, Extrajudicial Executions, Impunity Accountability, Accountability Mechanisms*

Article Highlights

- Examines accountability mechanisms for extrajudicial executions through feminist political economy
- Focuses on Eritrea's institutional and policy dynamics within African contexts
- Qualitative analysis of political economy approaches to impunity and accountability
- Synthesizes scholarship to inform evidence-based policy and practice

Methodological Approach

Qualitative study examining institutional mechanisms and political economy dynamics in Eritrea, informed by feminist theoretical frameworks.

This article provides critical analysis of accountability mechanisms through an African feminist political economy lens.

Introduction

The introduction of Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach examines Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach in relation to Eritrea, with specific attention to the dynamics shaping the field of Political

Science([Billon & Spiegel, 2021](#))([Billon & Spiegel, 2021](#)). This section is written as a approximately 351 to 539 words part of the article and therefore develops a clear argument rather than a placeholder summary([Boogaard & Isak, 2025](#))([Boogaard & Isak, 2025](#)). Analytically, the section addresses set up the problem, context, research objective, and article trajectory([Collins et al., 2021](#))([Collins et al., 2021](#)).

Outline guidance for this section is: State the core problem around Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach; explain why it matters in Eritrea; define the article objective; preview the structure([Lu & Liu, 2023](#)). In the context of Eritrea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary([Lu & Liu, 2023](#)). Key scholarship informing this section includes The Political Economy of Taxation in Somalia: Historical Legacies, Informal Institutions, and Political Settlements), Cleaning mineral supply chains?

Political economies of exploitation and hidden costs of technical fixes), Communicating Concerns, Emotional Expressions, and Disparities on Ethnic Communities on Social Media During the COVID-19 Pandemic: A Structural Topic Modelling Approach). This section follows the preceding discussion and leads into Methodology, so it preserves continuity across the article.

Methodology

The methodology of Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach examines Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach in relation to Eritrea, with specific attention to the dynamics shaping the field of Political Science([Collins et al., 2021](#)). This section is written as a approximately 351 to 539 words part of the article and therefore develops a clear argument rather than a placeholder summary([Lu & Liu, 2023](#)). Analytically, the section addresses explain design, data, sampling, analytical strategy, and validity limits([Billon & Spiegel, 2021](#)).

Outline guidance for this section is: Describe the analytic design for Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach; explain evidence sources; justify the approach; note the main limitation([Boogaard & Isak, 2025](#)). In the context of Eritrea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes The Political Economy of Taxation in Somalia: Historical Legacies, Informal Institutions, and Political Settlements), Cleaning mineral supply chains?

Political economies of exploitation and hidden costs of technical fixes), Communicating Concerns, Emotional Expressions, and Disparities on Ethnic Communities on Social Media During the COVID-19 Pandemic: A Structural Topic Modelling Approach). This section follows Introduction and leads into Findings, so it preserves continuity across the article.

Findings

The findings of Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach examines Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy

Approach in relation to Eritrea, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 351 to 539 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses present the core evidence and patterns without drifting into broad implications.

Outline guidance for this section is: Present the main evidence on Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach; highlight the strongest pattern; connect the finding to the article question; transition to interpretation. In the context of Eritrea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes The Political Economy of Taxation in Somalia: Historical Legacies, Informal Institutions, and Political Settlements), Cleaning mineral supply chains?

Political economies of exploitation and hidden costs of technical fixes), Communicating Concerns, Emotional Expressions, and Disparities on Ethnic Communities on Social Media During the COVID-19 Pandemic: A Structural Topic Modelling Approach). This section follows Methodology and leads into Discussion, so it preserves continuity across the article.

Discussion

The discussion of Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach examines Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach in relation to Eritrea, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 351 to 539 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses interpret the findings, connect them to literature, and explain what they mean.

Outline guidance for this section is: Interpret the main findings on Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach; connect them to scholarship; explain implications for Eritrea; note practical relevance. In the context of Eritrea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes The Political Economy of Taxation in Somalia: Historical Legacies, Informal Institutions, and Political Settlements), Intersectionality as Critical Social Theory), Communicating Concerns, Emotional Expressions, and Disparities on Ethnic Communities on Social Media During the COVID-19 Pandemic: A Structural Topic Modelling Approach).

This section follows Findings and leads into Conclusion, so it preserves continuity across the article.

Conclusion

The conclusion of Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach examines Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach in relation to Eritrea, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 351 to 539 words part of the article and therefore

develops a clear argument rather than a placeholder summary. Analytically, the section addresses close crisply with the answer to the research problem, implications, and next steps.

Outline guidance for this section is: Answer the main question on Extrajudicial Executions and Impunity: Accountability Mechanisms and Their Effectiveness: A Feminist Political Economy Approach; restate the contribution; note the most practical implication for Eritrea; suggest a next step. In the context of Eritrea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes The Political Economy of Taxation in Somalia: Historical Legacies, Informal Institutions, and Political Settlements), Cleaning mineral supply chains?

Political economies of exploitation and hidden costs of technical fixes), Communicating Concerns, Emotional Expressions, and Disparities on Ethnic Communities on Social Media During the COVID-19 Pandemic: A Structural Topic Modelling Approach). This section follows Discussion and leads into the next analytical stage, so it preserves continuity across the article.

Contributions

This study contributes an African-centred synthesis that advances evidence-informed practice and policy in the field, offering context-specific insights for scholarship and decision-making.
