Kashif Chetty is affiliated with Department of Research, Farming Technology Centre (FTC) and focuses on African Studies research in Africa.

Morgan Razak is affiliated with African Leadership College (ALC) and focuses on African Studies research in Africa.

Abstract

The study examines gendered power dynamics in Mauritian political contexts from to with a focus on African Studies. A qualitative analysis of political speeches, interviews, and legislative records to understand gendered power dynamics during the study period. Gender disparities persist despite some progress, highlighting a need for institutional reforms that address these structural issues. The implementation of gender quotas within political parties and increased media diversity can help mitigate current inequalities.

Keywords: *Mauritius, Gender Studies, Power Dynamics, African Politics, Feminist Theory, Postcolonial Analysis, Intersectionality*
