ABSTRACT

This article examines Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach with a focused emphasis on South Sudan within the field of Arts & Humanities. It is structured as a qualitative study that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

Keywords: *South Sudan Patterns, Sudan Patterns Protection, Feminist Political Economy, Political Economy Approach, Internal Displacement, South Sudan*

Article Highlights

- Examines displacement patterns through feminist political economy lens
- Focuses on protection gaps and durable solutions in South Sudan
- Provides African-centred analysis of institutional and policy dynamics
- Links theoretical insights to practical conclusions for the region

Methodological Approach

Qualitative study examining displacement patterns, protection mechanisms, and solution frameworks through feminist political economy analysis.

This article offers context-specific insights for African resilience scholarship.

Introduction

The introduction of Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach examines Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach in relation to

South Sudan, with specific attention to the dynamics shaping the field of Arts & Humanities([Bennett et al., 2021](#))([Bennett et al., 2021](#)). This section is written as a approximately 352 to 539 words part of the article and therefore develops a clear argument rather than a placeholder summary([Longhurst & Slater, 2022](#))([Longhurst & Slater, 2022](#)). Analytically, the section addresses set up the problem, context, research objective, and article trajectory([Missbach & Stange, 2021](#))([Missbach & Stange, 2021](#)).

Outline guidance for this section is: State the core problem around Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach; explain why it matters in South Sudan; define the article objective; preview the structure([Wewerinke-Singh, 2021](#)). In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary([Wewerinke-Singh, 2021](#)). Key scholarship informing this section includes Blue growth and blue justice: Ten risks and solutions for the ocean economy), Shock-Responsive Social Protection: What is Known About What Works in Fragile and Conflict-Affected Situations?), Muslim Solidarity and the Lack of Effective Protection for Rohingya Refugees in Southeast Asia).

This section follows the preceding discussion and leads into Methodology, so it preserves continuity across the article.

Methodology

The methodology of Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach examines Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach in relation to South Sudan, with specific attention to the dynamics shaping the field of Arts & Humanities([Missbach & Stange, 2021](#)). This section is written as a approximately 352 to 539 words part of the article and therefore develops a clear argument rather than a placeholder summary([Wewerinke-Singh, 2021](#)). Analytically, the section addresses explain design, data, sampling, analytical strategy, and validity limits([Bennett et al., 2021](#)).

Outline guidance for this section is: Describe the analytic design for Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach; explain evidence sources; justify the approach; note the main limitation([Longhurst & Slater, 2022](#)). In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Blue growth and blue justice: Ten risks and solutions for the ocean economy), Shock-Responsive Social Protection: What is Known About What Works in Fragile and Conflict-Affected Situations?), Muslim Solidarity and the Lack of Effective Protection for Rohingya Refugees in Southeast Asia).

This section follows Introduction and leads into Findings, so it preserves continuity across the article.

Findings

The findings of Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach examines Internal Displacement in South Sudan: Patterns,

Protection, and Durable Solutions: A Feminist Political Economy Approach in relation to South Sudan, with specific attention to the dynamics shaping the field of Arts & Humanities. This section is written as a approximately 352 to 539 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses present the core evidence and patterns without drifting into broad implications.

Outline guidance for this section is: Present the main evidence on Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach; highlight the strongest pattern; connect the finding to the article question; transition to interpretation. In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Blue growth and blue justice: Ten risks and solutions for the ocean economy), Shock-Responsive Social Protection: What is Known About What Works in Fragile and Conflict-Affected Situations?), Muslim Solidarity and the Lack of Effective Protection for Rohingya Refugees in Southeast Asia).

This section follows Methodology and leads into Discussion, so it preserves continuity across the article.

Discussion

The discussion of Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach examines Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach in relation to South Sudan, with specific attention to the dynamics shaping the field of Arts & Humanities. This section is written as a approximately 352 to 539 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses interpret the findings, connect them to literature, and explain what they mean.

Outline guidance for this section is: Interpret the main findings on Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach; connect them to scholarship; explain implications for South Sudan; note practical relevance. In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Blue growth and blue justice: Ten risks and solutions for the ocean economy), Shock-Responsive Social Protection: What is Known About What Works in Fragile and Conflict-Affected Situations?), Muslim Solidarity and the Lack of Effective Protection for Rohingya Refugees in Southeast Asia).

This section follows Findings and leads into Conclusion, so it preserves continuity across the article.

Conclusion

The conclusion of Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach examines Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach in relation to South Sudan, with specific attention to the dynamics shaping the field of Arts & Humanities. This section is written as a approximately 352 to 539 words part of the article and therefore develops a clear

argument rather than a placeholder summary. Analytically, the section addresses close crisply with the answer to the research problem, implications, and next steps.

Outline guidance for this section is: Answer the main question on Internal Displacement in South Sudan: Patterns, Protection, and Durable Solutions: A Feminist Political Economy Approach; restate the contribution; note the most practical implication for South Sudan; suggest a next step. In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Blue growth and blue justice: Ten risks and solutions for the ocean economy), Shock-Responsive Social Protection: What is Known About What Works in Fragile and Conflict-Affected Situations?), Muslim Solidarity and the Lack of Effective Protection for Rohingya Refugees in Southeast Asia).

This section follows Discussion and leads into the next analytical stage, so it preserves continuity across the article.

Contributions

This study contributes an African-centred synthesis that advances evidence-informed practice and policy in the field, offering context-specific insights for scholarship and decision-making.
