Author notes

Kamila Mwakalya is affiliated with Mkwawa University College of Education and focuses on Law research in Africa. Mugweria Tuyahura is affiliated with Sokoine University of Agriculture (SUA), Morogoro and focuses on Law research in Africa.

Kutuza Rukatwa is affiliated with Muhimbili University of Health and Allied Sciences (MUHAS), Dar es Salaam and focuses on Law research in Africa.

Kasanga Ngetilika is affiliated with Sokoine University of Agriculture (SUA), Morogoro and focuses on Law research in Africa.

Abstract

This commentary explores comparative legal dynamics in Tanzania within a broader African regional integration context. A qualitative approach was employed, focusing on secondary data from official government sources, international organizations' reports, and academic literature. The analysis highlights the complex interplay between national laws and regional integration agreements, particularly concerning ISDS provisions. Recommendations include enhancing transparency and public participation in the negotiation of international investment treaties and strengthening legal capacity to handle disputes under ISDS.

Keywords: *African Union, Legal Pluralism, Comparative Law, Jurisprudence, Regional Integration, Decentralization, Multilevel Governance*
