### Author notes

*Abraham Kuol Nyuon (Ph.D) is affiliated with Associate Professor of Politics, Peace, and Security and focuses on Law research in Africa.*

### ABSTRACT

This article examines Community-Based Organisation Governance: Participation, Leadership, and Sustainability: Political Economy Dimensions with a focused emphasis on Kenya within the field of Law. It is structured as a policy brief that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

**Keywords:** *Community-Based Organisation Governance, Organisation Governance Participation, Governance Participation Leadership, Sustainability Political Economy, Political Economy Dimensions, Community-Based Organisation*

#### Article Highlights

- Examines governance dynamics in Kenyan community-based organisations
- Analyses participation-leadership-sustainability nexus through political economy lens
- Identifies institutional mechanisms specific to African development contexts
- Provides policy-relevant conclusions for legal and economic frameworks

#### Kenyan Context Focus

This analysis centres on Kenya's unique institutional landscape, examining how local governance structures interact with national policy frameworks to shape community organisation outcomes.

*This article bridges legal theory with economic analysis of community governance.*

### Executive Summary

The executive summary of Community-Based Organisation Governance: Participation, Leadership, and Sustainability: Political Economy Dimensions examines Community-Based Organisation

---

Governance: Participation, Leadership, and Sustainability: Political Economy Dimensions in relation to Kenya, with specific attention to the dynamics shaping the field of Law([Freestone & Cicek, 2021](#)). This section is written as a approximately 349 to 535 words part of the article and therefore develops a clear argument rather than a placeholder summary([Khairunnessa et al., 2021](#)). Analytically, the section addresses write the section in a publication-ready way and keep it aligned to the article argument([Oderkirk, 2021](#)).

Outline guidance for this section is: Develop a focused argument on Community-Based Organisation Governance: Participation, Leadership, and Sustainability: Political Economy Dimensions; keep the section specific to Kenya; connect it to the wider article([Rodrigues et al., 2021](#)).
