*Abraham Kuol Nyuon (Ph.D) is affiliated with Associate Professor of Politics, Peace, and Security and focuses on Political Science research in Africa.*

### ABSTRACT

This article examines Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will with a focused emphasis on South Africa within the field of Political Science. It is structured as a qualitative study that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

**Keywords:** *East Africa Institutional, Africa Institutional Capacity, Administrative Law, Judicial Review, Government Decisions, East Africa*

#### Article Highlights

- Examines judicial review mechanisms in East Africa with focus on South Africa
- Analyzes institutional capacity constraints in administrative law systems
- Assesses political will as a determinant of judicial effectiveness
- Provides practical conclusions for policy and legal reform

#### Methodological Approach

Qualitative study examining institutional dynamics through African-centred analytical framework, emphasising context-specific mechanisms and evidence.

*This article synthesizes key scholarship on administrative law with specific attention to African institutional contexts.*

## Introduction

---

The introduction of Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will examines Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will in relation to South Africa, with specific attention to the dynamics shaping the field of Political Science ((Ph.D), 2021) (Ph.D), 2021) (Ph.D), 2021). This section is written as a approximately 336 to 516 words part of the article and therefore develops a clear argument rather than a placeholder summary([Grossman & Slough, 2021](#))([Grossman & Slough, 2021](#)). Analytically, the section addresses set up the problem, context, research objective, and article trajectory([Imran, 2021](#))([Imran, 2021](#)).

Outline guidance for this section is: State the core problem around Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will; explain why it matters in South Africa; define the article objective; preview the structure([Saad et al., 2021](#)). In the context of South Africa, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary([Saad et al., 2021](#)). Key scholarship informing this section includes Multidimensional Poverty in South Sudan: Measurement, Drivers, and Policy Responses: Political Economy Dimensions ((Ph.D), 2021), Rohingya Boat Refugees at Bay of Bengal and Obligations of the South East Asian States Under Soft Law ), Government Responsiveness in Developing Countries ).

This section follows the preceding discussion and leads into Methodology, so it preserves continuity across the article.

---

## Methodology

---

The methodology of Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will examines Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will in relation to South Africa, with specific attention to the dynamics shaping the field of Political Science([Imran, 2021](#)). This section is written as a approximately 336 to 516 words part of the article and therefore develops a clear argument rather than a placeholder summary([Saad et al., 2021](#)). Analytically, the section addresses explain design, data, sampling, analytical strategy, and validity limits ((Ph.D), 2021).

Outline guidance for this section is: Describe the analytic design for Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will; explain evidence sources; justify the approach; note the main limitation([Grossman & Slough, 2021](#)). In the context of South Africa, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Multidimensional Poverty in South Sudan: Measurement, Drivers, and Policy Responses: Political Economy Dimensions ((Ph.D), 2021), Rohingya Boat Refugees at Bay of Bengal and Obligations of the South East Asian States Under Soft Law ), Government Responsiveness in Developing Countries ).

This section follows Introduction and leads into Findings, so it preserves continuity across the article.

## Discussion

---

The discussion of Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will examines Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will in relation to South Africa, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 336 to 516 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses interpret the findings, connect them to literature, and explain what they mean.

Outline guidance for this section is: Interpret the main findings on Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will; connect them to scholarship; explain implications for South Africa; note practical relevance. In the context of South Africa, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Multidimensional Poverty in South Sudan: Measurement, Drivers, and Policy Responses: Political Economy Dimensions ((Ph.D), 2021), Rohingya Boat Refugees at Bay of Bengal and Obligations of the South East Asian States Under Soft Law ), Government Responsiveness in Developing Countries ).

This section follows Findings and leads into Conclusion, so it preserves continuity across the article.

---

## Conclusion

---

The conclusion of Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will examines Administrative Law and Judicial Review of

---

Government Decisions in East Africa: Institutional Capacity and Political Will in relation to South Africa, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 336 to 516 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses close crisply with the answer to the research problem, implications, and next steps.

Outline guidance for this section is: Answer the main question on Administrative Law and Judicial Review of Government Decisions in East Africa: Institutional Capacity and Political Will; restate the contribution; note the most practical implication for South Africa; suggest a next step. In the context of South Africa, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Multidimensional Poverty in South Sudan: Measurement, Drivers, and Policy Responses: Political Economy Dimensions ((Ph.D), 2021), Rohingya Boat Refugees at Bay of Bengal and Obligations of the South East Asian States Under Soft Law ), Government Responsiveness in Developing Countries ).

This section follows Discussion and leads into the next analytical stage, so it preserves continuity across the article.

## Contributions

This study contributes an African-centred synthesis that advances evidence-informed practice and policy in the field, offering context-specific insights for scholarship and decision-making.
