Emerging research priorities in South Sudan for African Foreign Policy Analysis (Political Science...)

PARJ Speed Verification

Pan-African Research Journals, Juba

Abstract

This article examines Emerging research priorities in South Sudan for African Foreign Policy Analysis (Political Science focus) with a focused emphasis on South Sudan within the field of Political Science. It is structured as a review article that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format. The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

ABSTRACT

This article examines Emerging research priorities in South Sudan for African Foreign Policy Analysis (Political Science focus) with a focused emphasis on South Sudan within the field of Political Science. It is structured as a review article that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

Keywords: *Emerging research priorities, African Foreign Policy, Foreign Policy Analysis, Policy Analysis Political, Analysis Political Science, Political Science focus*

Article Highlights

- Institutional analysis of South Sudan's foreign policy mechanisms
- Regional security frameworks influencing diplomatic engagements
- Methodological approaches for African foreign policy research
- Practical implications for policy development and analysis

Core Contribution

This review synthesizes verified scholarship to identify critical research gaps and analytical frameworks for studying South Sudan's foreign policy within African political science contexts.

Focuses on institutional dynamics and practical implications for African foreign policy analysis.
