Author notes

Mamadou Saidi is affiliated with Department of Advanced Studies, University of the Comoros and focuses on African Studies research in Africa.

Seydou Bah is affiliated with University of the Comoros and focuses on African Studies research in Africa.

Taharina Khabzani is affiliated with Department of Research, University of the Comoros and focuses on African Studies research in Africa.

Nathalie Moustafa is affiliated with Department of Research, University of the Comoros and focuses on African Studies research in Africa.

Abstract

Comoros is a small island nation in the Indian Ocean known for its rich cultural heritage and diverse ecosystems. Theoretical analysis based on existing literature and expert interviews to conceptualize the dynamics between universities and community development. The theoretical framework highlights the critical role of African universities in driving knowledge creation and application for local development solutions. Strategic partnerships between universities and government agencies should be fostered to enhance collaborative research efforts that benefit Comoros' socio-economic challenges.

Keywords: *Africanization, Diaspora Studies, Intellectual History, Knowledge Mobilization, Multiculturalism, Postcolonial Theory, Transnational Engagement*

ABSTRACT-ONLY PUBLICATION

This is an abstract-only publication. The complete research paper with full methodology, results, discussion, and references is available upon request.
