Makonnen Wolde is affiliated with Department of Interdisciplinary Studies, Debre Markos University and focuses on African Studies research in Africa.

Zerihun Abayşe is affiliated with Debre Markos University and focuses on African Studies research in Africa.

Getachew Tadesse is affiliated with Hawassa University and focuses on African Studies research in Africa.

Abstract

Gendered power dynamics have become a critical lens through which to examine African political transitions, particularly in Ethiopia. A review of secondary data on gender policies and political participation from to , focusing on legislative and executive bodies. While progress has been made, persistent gender disparities persist, necessitating comprehensive policy interventions that challenge deeply ingrained social structures. Implementing targeted training programmes for political elites on gender inclusion strategies and increasing accountability mechanisms to monitor compliance with gender quotas.
