Ahmed El-Hamidi is affiliated with Department of Research, Cadi Ayyad University of Marrakech and focuses on Education research in Africa.

Abstract

Morocco's education system faces challenges in meeting global standards despite recent reforms. In-depth qualitative analysis of existing policies and data from Moroccan schools. Morocco needs targeted interventions to address persistent educational disparities, particularly in rural regions. Implementing community-based initiatives and enhancing teacher training programmes are recommended solutions.

Keywords: *African geography, education policy, qualitative analysis, educational reform, cultural barriers*
