*Adwoa Agbeliogbe is affiliated with Council for Scientific and Industrial Research (CSIR-Ghana) and focuses on African Studies research in Africa.*

*Kofi Agyei is affiliated with Department of Advanced Studies, Water Research Institute (WRI) and focuses on African Studies research in Africa.*

*Esi Okpala is affiliated with Department of Research, University of Professional Studies, Accra (UPSA) and focuses on African Studies research in Africa.*

## Abstract

Afrofuturism is a contemporary cultural movement that explores African identity through futuristic narratives and aesthetics. This article employs theoretical analysis and comparative cultural studies to explore how Afrofuturism frames visions of the future for African societies. Theoretical frameworks like Afrofuturism can offer nuanced insights into how diverse cultural expressions shape visions of the future for African societies. Further research should examine specific Afrofuturist projects to understand their impact on societal transformation in Ghana.
