Author notes

Ahmed El Khayati is affiliated with Hassan II University of Casablanca and focuses on African Studies research in Africa.
Fatima Ben Salem is affiliated with Mohammed 1st University of Oujda and focuses on African Studies research in Africa.

Abstract

The University System in African contexts faces unique challenges due to historical legacies, resource constraints, and cultural differences. A qualitative approach involving literature review and expert interviews to analyse existing policies and practices in Moroccan HEIs. This framework highlights the importance of fostering partnerships between universities and industry stakeholders to enhance knowledge transfer and utilization. Policy makers should prioritise investment in research infrastructure and promote collaborative initiatives among Moroccan HEIs.

ABSTRACT-ONLY PUBLICATION

This is an abstract-only publication. The complete research paper with full methodology, results, discussion, and references is available upon request.
