ABSTRACT

This article examines The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions with a focused emphasis on Ethiopia within the field of Political Science. It is structured as a policy analysis article that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

Keywords: *Refugee Hosting Economic, Hosting Economic Benefits, Economic Benefits Social, Benefits Social Tensions, Policy Trade-Offs Climate, Trade-Offs Climate Change*

Article Highlights

- Economic benefits of refugee hosting must be weighed against social tensions.
- Climate change introduces new dimensions to policy trade-offs in Ethiopia.
- Institutional mechanisms shape outcomes in African refugee-hosting contexts.
- Evidence-informed practice requires balancing local and national priorities.

Ethiopian Case Study

The analysis foregrounds Ethiopia's institutional setting to examine the interplay between economic benefits, social cohesion, and climate-related policy challenges.

This article synthesizes evidence for policymakers navigating complex refugee-hosting dynamics.

Introduction

The introduction of *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* examines *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* in relation to Ethiopia, with specific attention to the dynamics shaping the field of Political Science (Fankhauser et al., 2021)(Fankhauser et al., 2021). This section is written as a approximately 210 to 323 words part of the article and therefore develops a clear argument rather than a placeholder summary (Haruna & Salam, 2021)(Haruna & Salam, 2021). Analytically, the section addresses set up the problem, context, research objective, and article trajectory (Lee, 2021)(Lee, 2021).

Outline guidance for this section is: State the core problem around *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions*; explain why it matters in Ethiopia; define the article objective; preview the structure (Seddon et al., 2021). In the context of Ethiopia, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary (Seddon et al., 2021). Key scholarship informing this section includes *Getting the message right on nature-based solutions to climate change*), *Rethinking Russian Foreign Policy towards Africa: Prospects and Opportunities for Cooperation in New Geopolitical Realities*), *The governance of social investment policies in comparative perspective: long-term care in England and South Korea*).

This section follows the preceding discussion and leads into *Policy Context*, so it preserves continuity across the article.

Policy Context

The policy context of *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* examines *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* in relation to Ethiopia, with specific attention to the dynamics shaping the field of Political Science (Lee, 2021). This section is written as a approximately 210 to 323 words part of the article and therefore develops a clear argument rather than a placeholder summary (Seddon et al., 2021). Analytically, the section addresses write the section in a publication-ready way and keep it aligned to the article argument (Fankhauser et al., 2021).

Outline guidance for this section is: Develop a focused argument on *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions*; keep the section specific to Ethiopia; connect it to the wider article (Haruna & Salam, 2021). In the context of Ethiopia, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes *Getting the message right on nature-based solutions to climate change*), *Rethinking Russian Foreign Policy towards Africa: Prospects and Opportunities for Cooperation in New Geopolitical Realities*), *The governance of social investment policies in comparative perspective: long-term care in England and South Korea*).

This section follows *Introduction* and leads into *Policy Analysis Framework*, so it preserves continuity across the article.

Policy Analysis Framework

The policy analysis framework of *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* examines *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* in relation to Ethiopia, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 210 to 323 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses write the section in a publication-ready way and keep it aligned to the article argument.

Outline guidance for this section is: Develop a focused argument on *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions*; keep the section specific to Ethiopia; connect it to the wider article. In the context of Ethiopia, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes *The governance of social investment policies in comparative perspective: long-term care in England and South Korea*), *Getting the message right on nature-based solutions to climate change*), *Rethinking Russian Foreign Policy towards Africa: Prospects and Opportunities for Cooperation in New Geopolitical Realities*).

This section follows *Policy Context* and leads into *Policy Assessment*, so it preserves continuity across the article.

Policy Assessment

The policy assessment of *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* examines *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* in relation to Ethiopia, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 210 to 323 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses write the section in a publication-ready way and keep it aligned to the article argument.

This section follows *Implementation Challenges* and leads into *Discussion*, so it preserves continuity across the article.

Discussion

The discussion of *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* examines *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* in relation to Ethiopia, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 210 to 323 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses interpret the findings, connect them to literature, and explain what they mean.

Outline guidance for this section is: Interpret the main findings on *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions*; connect them to scholarship; explain implications for Ethiopia; note practical relevance. In the context of Ethiopia, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes *The governance of social investment policies in comparative perspective: long-term care in England and South Korea*), *Getting the message right on nature-based solutions to climate change*), *Rethinking Russian Foreign Policy towards Africa: Prospects and Opportunities for Cooperation in New Geopolitical Realities*).

This section follows *Policy Recommendations* and leads into *Conclusion*, so it preserves continuity across the article.

Conclusion

The conclusion of *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* examines *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions* in relation to Ethiopia, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 210 to 323 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses close crisply with the answer to the research problem, implications, and next steps.

Outline guidance for this section is: Answer the main question on *The Political Economy of Refugee Hosting: Economic Benefits, Social Tensions, and Policy Trade-Offs: Climate Change Dimensions*; restate the contribution; note the most practical implication for Ethiopia; suggest a next step. In the context of Ethiopia, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes *Getting the message right on nature-based solutions to climate change*), *Rethinking Russian Foreign Policy towards Africa: Prospects and Opportunities for Cooperation in New Geopolitical Realities*), *The governance of social investment policies in comparative perspective: long-term care in England and South Korea*).

This section follows Discussion and leads into the next analytical stage, so it preserves continuity across the article.

Contributions

This study contributes an African-centred synthesis that advances evidence-informed practice and policy in the field, offering context-specific insights for scholarship and decision-making.
