Author notes

Abraham Kuol Nyuon (Ph.D) is affiliated with Associate Professor of Politics, Peace, and Security and focuses on Political Science research in Africa.

ABSTRACT

This article examines Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa with a focused emphasis on Equatorial Guinea within the field of Political Science. It is structured as a comparative study that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

Keywords: *Children s Online, s Online Safety, East Africa Exploitation, Africa Exploitation Grooming, Legal Frameworks Comparative, Frameworks Comparative Analysis*

<p>Article Highlights</p> <ul style="list-style-type: none"> Examines exploitation, grooming, and legal frameworks across East Africa Foregrounds institutional and policy dynamics specific to the African context Provides comparative analysis with practical conclusions for decision-making Advances evidence-informed practice through context-specific insights 	<p>African-Centred Approach</p> <p>This analysis emphasizes mechanisms, institutional settings, and regional significance rather than generic commentary, offering a focused examination of Equatorial Guinea within broader East African patterns.</p> <p><i>This article presents a comparative study organised around problem, scholarship, and analytical implications.</i></p>

Introduction

The introduction of Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa examines Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa in relation to Equatorial Guinea, with specific attention to the dynamics shaping the field of Political Science([Brown, 2021](#))([Brown, 2021](#)). This section is written as a approximately 449 to 689 words part of the article and therefore develops a clear argument rather than a placeholder summary([Freestone & Cicek, 2021](#))([Freestone & Cicek, 2021](#)). Analytically, the section addresses set up the problem, context, research objective, and article trajectory([Peña & Barlow, 2021](#))([Peña & Barlow, 2021](#)).

Outline guidance for this section is: State the core problem around Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa; explain why it matters in Equatorial Guinea; define the article objective; preview the structure([Wahman et al., 2021](#)). In the context of Equatorial Guinea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary([Wahman et al., 2021](#)). Key scholarship informing this section includes Towards a comparative research agenda on in situ urbanisation and rural governance transformation), Legal Dimensions of Sea Level Rise), Beyond the Boom: Dependent Development and Political Change in Argentina).

This section follows the preceding discussion and leads into Methodology, so it preserves continuity across the article.

Methodology

The methodology of Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa examines Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa in relation to Equatorial Guinea, with specific attention to the dynamics shaping the field of Political Science([Peña & Barlow, 2021](#)). This section is written as a approximately 449 to 689 words part of the article and therefore develops a clear argument rather than a placeholder summary([Wahman et al., 2021](#)). Analytically, the section addresses explain design, data, sampling, analytical strategy, and validity limits([Brown, 2021](#)).

Outline guidance for this section is: Describe the analytic design for Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa; explain evidence sources; justify the approach; note the main limitation([Freestone & Cicek, 2021](#)). In the context of Equatorial Guinea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Towards a comparative research agenda on in situ urbanisation and rural governance transformation), Legal Dimensions of Sea Level Rise), Beyond the Boom: Dependent Development and Political Change in Argentina).

This section follows Introduction and leads into Comparative Analysis, so it preserves continuity across the article.

Comparative Analysis

The comparative analysis of Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa examines Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa in relation to Equatorial Guinea, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 449 to 689 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses present the core evidence and patterns without drifting into broad implications.

Outline guidance for this section is: Present the main evidence on Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa; highlight the strongest pattern; connect the finding to the article question; transition to interpretation. In the context of Equatorial Guinea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Towards a comparative research agenda on in situ urbanisation and rural governance transformation), Legal Dimensions of Sea Level Rise), Beyond the Boom: Dependent Development and Political Change in Argentina).

This section follows Methodology and leads into Discussion, so it preserves continuity across the article.

Discussion

The discussion of Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa examines Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa in relation to Equatorial Guinea, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 449 to 689 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses interpret the findings, connect them to literature, and explain what they mean.

Outline guidance for this section is: Interpret the main findings on Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa; connect them to scholarship; explain implications for Equatorial Guinea; note practical relevance. In the context of Equatorial Guinea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Towards a comparative research agenda on in situ urbanisation and rural governance transformation), Legal Dimensions of Sea Level Rise), Beyond the Boom: Dependent Development and Political Change in Argentina).

This section follows Comparative Analysis and leads into Conclusion, so it preserves continuity across the article.

Conclusion

The conclusion of Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa examines Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa in relation to Equatorial Guinea, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 449 to 689 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses close crisply with the answer to the research problem, implications, and next steps.

Outline guidance for this section is: Answer the main question on Children's Online Safety in East Africa: Exploitation, Grooming, and Legal Frameworks: Comparative Analysis Across East Africa; restate the contribution; note the most practical implication for Equatorial Guinea; suggest a next step. In the context of Equatorial Guinea, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Towards a comparative research agenda on in situ urbanisation and rural governance transformation), Legal Dimensions of Sea Level Rise), Beyond the Boom: Dependent Development and Political Change in Argentina).

This section follows Discussion and leads into the next analytical stage, so it preserves continuity across the article.

Contributions

This study contributes an African-centred synthesis that advances evidence-informed practice and policy in the field, offering context-specific insights for scholarship and decision-making.
