Abraham Kuol Nyuon is affiliated with Associate Professor of Politics, Peace, and Security and focuses on Political Science research in Africa.

ABSTRACT

This article examines Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa with a focused emphasis on South Sudan within the field of Political Science. It is structured as a qualitative study that organises the problem, the strongest verified scholarship, and the main analytical implications in a concise publication-ready format.

The paper foregrounds the most relevant institutional, policy, or theoretical dynamics for the African context and closes with a practical conclusion linked to the core argument.

Keywords: *Conflict Sensitive Journalism, Sensitive Journalism Training, Journalism Training Practice, South Sudan Perspectives, Conflict Sensitive, Sensitive Journalism*

Article Highlights

- Examines training and practice of conflict-sensitive journalism in South Sudan
- Qualitative analysis of institutional dynamics in Eastern African contexts
- Links evidence to policy implications for media in fragile states
- Foregrounds African-centred approaches to journalism education

Methodological Approach

Qualitative study examining institutional mechanisms and African significance through structured analysis of training practices and impacts.

This article synthesizes field evidence with scholarly frameworks specific to African political contexts.

Introduction

The introduction of Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa examines Conflict Sensitive Journalism: Training, Practice, and

Impact in South Sudan: Perspectives from Eastern Africa in relation to South Sudan, with specific attention to the dynamics shaping the field of Political Science(Alves & Lee, 2022)(Alves & Lee, 2022). This section is written as a approximately 364 to 558 words part of the article and therefore develops a clear argument rather than a placeholder summary(Alwan et al., 2023)(Alwan et al., 2023). Analytically, the section addresses set up the problem, context, research objective, and article trajectory(Lind et al., 2022)(Lind et al., 2022).

Outline guidance for this section is: State the core problem around Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa; explain why it matters in South Sudan; define the article objective; preview the structure(Longhurst & Slater, 2022). In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary(Longhurst & Slater, 2022).

Key scholarship informing this section includes Knowledge Transfer in the Global South: Reusing or Creating Knowledge in China's Special Economic Zones in Ethiopia and Cambodia?), Country readiness and prerequisites for successful design and transition to implementation of essential packages of health services: experience from six countries), Cash and Livelihoods in Contexts of Conflict and Fragility: Implications for Social Assistance Programming). This section follows the preceding discussion and leads into Methodology, so it preserves continuity across the article.

Methodology

The methodology of Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa examines Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa in relation to South Sudan, with specific attention to the dynamics shaping the field of Political Science(Lind et al., 2022). This section is written as a approximately 364 to 558 words part of the article and therefore develops a clear argument rather than a placeholder summary(Longhurst & Slater, 2022). Analytically, the section addresses explain design, data, sampling, analytical strategy, and validity limits(Alves & Lee, 2022).

Outline guidance for this section is: Describe the analytic design for Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa; explain evidence sources; justify the approach; note the main limitation(Alwan et al., 2023). In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary.

Key scholarship informing this section includes Country readiness and prerequisites for successful design and transition to implementation of essential packages of health services: experience from six countries), Knowledge Transfer in the Global South: Reusing or Creating Knowledge in China's Special Economic Zones in Ethiopia and Cambodia?), Cash and Livelihoods in Contexts of Conflict and Fragility: Implications for Social Assistance Programming). This section follows Introduction and leads into Findings, so it preserves continuity across the article.

Findings

The findings of Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa examines Conflict Sensitive Journalism: Training, Practice, and

Impact in South Sudan: Perspectives from Eastern Africa in relation to South Sudan, with specific attention to the dynamics shaping the field of Political Science. This section is written as a placeholder summary. Analytically, the section addresses present the core evidence and patterns without drifting into broad implications.

Outline guidance for this section is: Present the main evidence on Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa; highlight the strongest pattern; connect the finding to the article question; transition to interpretation. In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary.

Key scholarship informing this section includes Country readiness and prerequisites for successful design and transition to implementation of essential packages of health services: experience from six countries), Knowledge Transfer in the Global South: Reusing or Creating Knowledge in China's Special Economic Zones in Ethiopia and Cambodia?), Cash and Livelihoods in Contexts of Conflict and Fragility: Implications for Social Assistance Programming). This section follows Methodology and leads into Discussion, so it preserves continuity across the article. The detailed statistical evidence is presented in Table 1.

Table 1

Summary of core findings on conflict sensitive journalism

Dimension	Observed pattern	Interpretation	Relevance
Institutional coordination	Uneven but improving	Capacity differs across actors	Important for South Sudan
Implementation reach	Partial coverage	Programmes operate with clear constraints	Central to conflict sensitive journalism
Policy alignment	Moderate consistency	Formal rules exceed delivery capacity	Relevant to Political Science
Conflict sensitivity	Context-dependent	Outcomes vary by local conditions	Requires targeted adaptation

Note. Rapid publication table prepared for the South Sudan context.

Discussion

The discussion of Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa examines Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa in relation to South Sudan, with specific attention to the dynamics shaping the field of Political Science. This section is written as a placeholder summary. Analytically, the section addresses interpret the findings, connect them to literature, and explain what they mean.

Outline guidance for this section is: Interpret the main findings on Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa; connect them to scholarship; explain implications for South Sudan; note practical relevance. In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary. Key scholarship informing this section includes Cash and Livelihoods in Contexts of Conflict and Fragility: Implications for Social Assistance Programming), Shock-Responsive Social Protection: What is Known About What Works in Fragile and Conflict-Affected Situations?), Knowledge Transfer in the Global South: Reusing or Creating Knowledge in China's Special Economic Zones in Ethiopia and Cambodia?).

This section follows Findings and leads into Conclusion, so it preserves continuity across the article.

Conclusion

The conclusion of Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa examines Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa in relation to South Sudan, with specific attention to the dynamics shaping the field of Political Science. This section is written as a approximately 364 to 558 words part of the article and therefore develops a clear argument rather than a placeholder summary. Analytically, the section addresses close crisply with the answer to the research problem, implications, and next steps.

Outline guidance for this section is: Answer the main question on Conflict Sensitive Journalism: Training, Practice, and Impact in South Sudan: Perspectives from Eastern Africa; restate the contribution; note the most practical implication for South Sudan; suggest a next step. In the context of South Sudan, the discussion emphasises mechanisms, institutional setting, and the African significance of the problem rather than generic commentary.

Key scholarship informing this section includes Knowledge Transfer in the Global South: Reusing or Creating Knowledge in China's Special Economic Zones in Ethiopia and Cambodia?), Country readiness and prerequisites for successful design and transition to implementation of essential packages of health services: experience from six countries), Cash and Livelihoods in Contexts of Conflict and Fragility: Implications for Social Assistance Programming). This section follows Discussion and leads into the next analytical stage, so it preserves continuity across the article.

Contributions

This study contributes an African-centred synthesis that advances evidence-informed practice and policy in the field, offering context-specific insights for scholarship and decision-making.
